

**Game Setup Procedure for Scoreboards
JUNIOR AND SENIORS' COMPS
(NO SCORES TO BE PLACED ON SCORE BOARD FOR Under 10 Competition)**

1. Switch to “pause” before using the “reset” and “time adjust” buttons
2. Weeknight comps press the reset time button to set to 20mins.
3. To add points, use “scores” press once for 1 point press twice for 2 point and press three times for 3 points for light and dark team
4. Fouls - press once to add team fouls and at half time to reset team fouls use “foul rest” button for team light and dark
5. Time outs - Press the light or dark foul button to add foul to light or dark team
6. Undo and Master Reset button - Press “undo/reset button to undo the last score or fouls entered

With the timer switch set to pause - hold the “undo/reset” button for 3 seconds to reset the scores, fouls, time outs and game period

5. Period button: to switch form from period 1 to period 2 (at half time)
6. 2 min timing at the end of each half (unless mercy rule applies) use the Pause / Switch button
7. At half time during weeknight comp add four mins to the clock

Please see your Referee or Games Controller if you require further assistance

***WEEKEND COMP: U12** you will just need to use the Score and Fouls Buttons as the clock is on central timing.
